Appendix 1
Services and Payment Terms

1. Medical Services. As used in this Agreement, the term Medical Services shall mean those medical services that the Physician, herself, is permitted to perform under the laws of the State of Oklahoma and that are consistent with her training and experience as a Family Medicine Physician, as the case may be.

The Physician may from time to time, due to vacations, sick days, and other similar situations, not be available to provide the Services referred to above. During such times, Patient's calls to the Physician, or to the Physician's office, will be directed to a Physician who is "covering" for the Physician during her absence. Med Club will make every effort to arrange for coverage but cannot guarantee such coverage.

2. Non-Medical, Personalized Services. Med club shall also provide Patient with the following non-medical services ("**Non-Medical Services**"):

(a) After Hours Access. Patient shall have direct telephone access to the Physician seven days per week. Patient shall be given a phone number where Patient may reach the Physician directly for guidance regarding emergency medical problems that arise unexpectedly after office hours. During the Physician's absence for vacations, continuing medical education, illness, emergencies, or days off, Med Club will provide the services of an appropriate licensed healthcare provider for assistance in obtaining medical services. Patient shall be given instructions as to how to contact such healthcare provider. Such provider shall be available to Patient to the same extent as would the Physician; however, the provider may be contacted through an answering service rather than through a direct phone line.

(b) E-Mail Access. Patient shall be given the Physician's **E-mail address** to which non-urgent communications can be addressed. Such communications shall be dealt with by the Physician or staff member of the Practice in a timely manner. **Patient understands and agrees that email or any other electronic communication should never be used to access medical care in the event of an emergency, or any situation that Patient could reasonably expect to develop into an emergency. Patient agrees that in such situations, when a Patient cannot speak to Physician immediately in person or by telephone, that Patient shall call 911 or go to the nearest emergency room and follow the directions of emergency personnel.**

(c) No Wait or Minimal Wait Appointments. Every effort shall be made to assure that Patient is seen by the Physician immediately upon arriving for a scheduled office visit or after only a minimal wait. If Physician foresees a minimal wait time, Patient shall be contacted and advised of the projected wait time.

(d) Same Day/Next Day Appointments. When Patient calls the Physician office prior to noon on a normal office day (Monday through Thursday) during normal working hours (9:00 am to 12:00 pm and 1:00 pm to 4:30 pm) to schedule an appointment, every reasonable effort shall be made to schedule an appointment with the Physician on the same day. If the Patient calls the Physician office after noon on a normal office day (Monday through Thursday) during normal working hours (9:00 am to 12:00 pm and 1:00 pm to 4:30 pm) to schedule an appointment, every reasonable effort shall be made to schedule Patient's appointment with the Physician on the following normal office day.

(e) Home or Facility Visits. Patient may request that the Physician see Patient in Patient's home or medical facility, and in situations where the Physician considers such a visit reasonably necessary and appropriate, she will make every reasonable effort to comply with Patient's request. Patient acknowledges that this will be an additional fee.

(f) Visitors. Family members* temporarily visiting a Patient from out of town (greater than 150 miles from home) may, for less than a two-week period, take advantage of the Services described in subparagraphs (a), (c), and (d) of this paragraph. Medical services rendered to Patient's visitors shall be charged on a fee-for-service basis.

*Family members who are Medicare beneficiaries must be covered by a Medicare opt out and waiver agreement in order to be treated by a Med Club Physician.

(g) Specialists. Med Club Physician shall coordinate with medical specialists to whom Patient is referred in order to assist Patient in obtaining specialty care. Patient understands that fees paid under this Agreement do not include and do not cover specialist's fees or fees due to any medical professional, other than the Med Club Physician, any medications or supplies.
